TRAIL SAFETY

Riding bicycles on rough terrain trails is an inherently dangerous activity. Be Safe - Wear a Helmet - It's Just Good Sense. Please report trail condition concerns to JCPRD Offices at (913) 438-7275.

TRAIL ETHICS

- 1. LEAVE NO TRACE.** Do not hike or ride on unpaved trails when conditions may cause you to leave evidence of your passing. Using trails during wet conditions will accelerate erosion and maintenance costs.
- 2. STAY ON EXISTING TRAILS.** Creating new trails or shortcuts negatively affects future users.
- 3. PACK OUT WHAT YOU PACK IN.** Litter along the trail decreases the enjoyment for all.
- 4. BE COURTEOUS OF WILDLIFE AND OTHER USERS.**
- 5. LEAVE NATURE WHERE YOU FIND IT.** Please leave the wildflowers for others to enjoy.
