

Katy Trail Trail Head • Pleasant Hill, Mo.

Maps: Missouri Department of Natural Resources

The trail head and parking is at the Cass County Fairgrounds, MO-58, Pleasant Hill, MO 64080. If you require street coordinates, the parking lot is at the intersection of 58 Highway and Walnut Street in Pleasant Hill. Although this address is the official trail head and the only area parking for the trail, it is not the actual start of the path itself. To get there, you'll need to follow the signs and then walk or bike about 0.4 miles down Highway 58 to enter the trail. Most of the route has no sidewalk. Keep this in mind if you are bringing children. If there are two drivers, one could drop others off at the beginning of the route and return to park the vehicle. The entire experience is clearly marked, but could be frustrating if it's unexpected.
