

Landahl Park Trail System

May 1, 2017 edition

UNAUTHORIZED VEHICLES AND HORSES ARE NOT ALLOWED ON TRAILS

PLEASE DO NOT USE MUDDY TRAILS

If you can see your tracks you are damaging the trail. Tens of thousands of volunteer manhours have gone into the creation and maintenance of these trails. One tire rut, hoof print or foot print can promote erosion and permanently damage the trail.

Current trail conditions online at kctrailsstatus.com

#KcTrailsStatus

- Easy**
Very few obstacles, relatively flat
- Challenging**
Some obstacles, up and down hills
- Difficult**
